The elegance of mediterranean doors is recreated evocatively in woodworkers euro range. This popular collection infuses the rich detail of sinuous wrought iron, delicate bevelled glass and heavy timber collections to produce doors that capture the unique spirit of traditional european joinery.

For more details of pivot doors & their operation refer our FAQ 8 at www.woodworkers.com.au

For an additional \$200 we can apply 2 coats of sealer and 2 top coats. Final finishing coat by others.

All fuseon doors can be custom made to other sizes required at additional cost. P.O.A

* framed unit hung on hydraulic pivot closer

Note: house numbers or corporate logos can also be incorporated into fuseon doors at additional cost.

the fuseon pivot door range

The fuseon range of pivot size doors provide the widest design freedom where doors are in protected external or internal locations. A range of different timber and metal finishes are available and doors can be customised to attune with surrounding design elements. Woodworkers recommends factory hanging on hydraulic pivots to ensure safety and easy operation.
